GUIDELINES
FOR CONDUCTING COUNTY & CITY OF LOS ANGELES
COMMUNITY SURVEYS

The top portion (scene description, dates, times & production office information) of the attached "Community Survey" should be thoroughly completed and submitted to the assigned FilmL.A. Coordinator for review and approval. The coordinator will advise you of any changes, if needed, and when you should begin the survey gathering process.

The "Description of scenes & parking" section should include a complete description of all filming activities and should also note the areas intended for equipment parking, whether posting is requested or not.

Once the survey form is approved by FilmL.A., copies should be made in sufficient quantity to provide all residents with two of the surveys: one for comment and submission to FilmL.A. and one the resident/business owner can keep for future reference. Two copies should also be left at residences or businesses where no one is readily available for review. A brief note, making arrangements for retrieval of the survey form, should be left with the surveys.

Affected residents or business owners should be directed to complete the bottom left portion of the form and asked to include their phone number. Individuals who are hesitant to include their phone number should be told that it is not mandatory but that its only use is for verification by FilmL.A.

Apartment managers may sign for their tenants but they must do so in the designated area at the bottom right corner of the form, only. **Manager signatures in the bottom left (resident) portion are not acceptable.**

Surveys should be obtained from all residences within 300 feet of filming activities and/or within 200 feet of equipment parking. In merchant areas, survey requirements will be based on an areas Special Conditions. Where no Special Conditions exist, the surveys will be based on the amount of requested parking, type of production and type of activity requested.

Exceptional filming activity (i.e., gunfire, bullet hits, fire effects, explosions, car crashes, helicopter scenes etc.) prior to 7:00 AM or after 10:00 P.M. Monday through Friday and prior to 9:00 AM and after 10:00 P.M. on weekends and holidays may require surveys from a larger than usual area. The extent of the affected area will be determined by FilmL.A. based on the anticipated impact of the proposed activities.

A detailed map, similar to a plot plan, depicting the streets and residences affected, must be included with the surveys when presented to the FilmL.A. coordinator for review.

Each address on the map should be annotated, indicating whether the resident or manager had concerns, had no concerns, was not home, etc. Other notations - such as vacation, vacant, or refused contact, etc. - to further explain why there was no response, are especially helpful in the evaluation process.

SURVEYS AND THE REQUIRED MAP SHOULD BE SUBMITTED TO THE FILML.A. COORDINATOR AT LEAST 24 HOURS IN ADVANCE OF THE TIME THE PERMIT WOULD NEED TO BE RELEASED. This provides the necessary time to review the material and also provides you with time to gather additional surveys, if required.

FilmL.A. will evaluate the surveys and map to determine the extent of community concerns and support with respect to the proposed activities. Additional consideration is given to residents or businesses in close proximity to the filming activities and mitigating their concerns may be crucial to FilmL.A. approval.

SPECIAL CONDITIONS FOR LOCATION FILMING IN DOWNTOWN LOS ANGELES
(Standard Filming Requirements continue to apply where not superseded below)

1. DEFINITION OF TERMS

a. Downtown Los Angeles, for the purposes of these conditions, shall be defined as the area North to South from the 101 Freeway to the 10 Freeway; East to West from the Los Angeles River to the 110 Freeway.

b. The Downtown Los Angeles Neighborhood Council boundaries (**DLANC boundaries**), for the purpose of these conditions, shall be defined as bordered on the North and East at the 101 Freeway from the 110 Freeway east to Los Angeles Street, south to 4th Street, east to Alameda Street, south to 7th Street, east to the Los Angeles River; on the South by the 10 Freeway from the 110 Freeway to the Los Angeles River; on the West by 110 Freeway from the 10 Freeway to the 101 Freeway. (This area is the same area as defined above as Downtown Los Angeles, but excludes the Little Tokyo and Arts District neighborhoods.)

c. Residential buildings shall be defined as any building with legal residential occupants (mixed-use, adaptive reuse, artist-in-residence (A.I.R.), SROs, residential hotels, condominiums and apartment buildings). DLANC will maintain an accurate and contemporary listing of all residential buildings showing a 100-foot radius from each building so as to identify any areas both inside and outside of that radius.

d. The Broadway Entertainment District (aka Broadway Theatre District), for the purposes of these Conditions, shall be defined north to south as Broadway from 3rd Street to Olympic Boulevard, and east to west from Frank Court to Lindley Place (aka St. Vincent Alley Court), or the equivalent mid-block point to either of these alleys where the alley is not present, including any theater loading facilities, defined as any public or private surface parking lot, parking garage, public street or curb area adjacent to, or utilized by, a theater. If, in the future, the City adopts an ordinance with regulations governing filming in this area, such regulations shall supersede these Filming Conditions.

e. The Old Bank District residential overlay, for the purposes of these Conditions, shall be defined as the area bound by South Spring St., West 5th St., West 4th St., and Werdin Pl.

2. FILMING STANDARD HOURS AND DAYS

b. No film permits may be issued along Main and Spring Streets from 2nd to 9th Streets, or on any block of 2nd through 9th Streets between Los Angeles and Spring during the Downtown Art Walk, currently held on the second Thursday of each month. Filming inside of private buildings or entirely on private property during this time is permitted so long as there are no external impacts.

c. No filming may be conducted in close proximity to major public events anywhere in Downtown Los Angeles as permitted by the LAPD, or identified with 30 days notice to the City's Designated Film Permit Contractor by DLANC. Film permits may be considered in light of major public events on a case-by-case basis so long as their issuance will not cause further disruption to Downtown businesses and residents during such events.

3. RESIDENTIAL AND MERCHANT PROTECTIONS IN THE DLANC BOUNDARIES

a. A film permit may include no more than 300 feet of curb lane per city block for the parking of film production vehicles, crew or equipment. Requests for additional amounts of curb lane shall require a signature survey. The **Broadway Entertainment District** is exempt from this restriction.

b. Production personnel (and equipment utilized by the production company) shall not block the sidewalk area in front of an open commercial business or a residential building, including residential patios, windows, doorways, or entryways, unless the production company has secured the permission of the merchant and/or property owner. c. Customers, employees, residents, and guests of affected properties shall be allowed free ingress/egress to all buildings, merchants, and parking facilities. Arrangements shall be made to ensure access to deliveries, trash pickup, residential move-in/move-out, and vendor access to the properties/merchants during productions.

d. All commercial businesses must prominently post hours of operation and contact phone numbers, and residential buildings must have a designated contact person authorized to give permission. Special events held by commercial businesses, outside of normal business hours, must also be posted in advance, and production companies must provide full access and visibility during such events.

If it is physically impossible for a generator to be a minimum of 50 feet from residential windows or entrances, the generator shall be placed as far away as possible and vented away from residential windows and entrances. However, under no circumstances shall a generator be placed directly underneath a residential window.

b. Film productions must focus lighting on the filming area only and make every effort to shield the lighting from adjacent properties, pedestrians, and patrons of commercial businesses at all times. Exceptional lighting (e.g., Musco and Bebee lighting) outside of regular filming hours shall not be allowed without a signature survey of the affected merchants and/or property owners. **Signature survey shall be required for Exceptional lighting within the Old Bank District between the hours of 6:00 p.m. and 6:00 a.m.** Under no circumstances shall lighting be directed onto oncoming traffic.

d. Production companies must provide adequate detour and directional signage when street closures are in place, conforming to current LADOT standards and practices. Detour routes must accommodate large, semi and tractor trailer trucks and public transit vehicles.

7. ENFORCEMENT OF CONDITIONS

a.
